

# **PUBLIC NOTICE**

In January 2019, the Northern Arapaho Business Council approved the Northern Arapaho Tribal Water and Sanitary Sewer Policy and Procedures Manual.

Attached is the NEW Services Application which was approved with the Policy & Procedures Manual that **MUST** be completed by all customers on the water and wastewaters systems in both Ethete and Arapahoe.

The billing cycle for residential customers will begin August 1, 2019. It is necessary for the Northern Arapaho Billing Department to have updated applications for all water and wastewater users. Bills will be sent August 1, 2019 as a flat rate. **ALL** users must have an application to the Northern Arapaho Billing Department office located at 501A Ethete Road by August 15, 2019 **OR** your water and wastewater services will be **DISCONNECTED**.

If you are disconnected a reconnection of \$35.00 will be applied.

If you have any questions please call the Northern Arapaho Billing Department/Northern Arapaho Tribal Engineering Department at 332-2328.
